These three words describe the man to whom this yearbook is dedicated. They can't describe what he has done, but rather how he accomplished it.

Despite our small numbers, BDHS has made its impression in the area on the athletic field. Anyone in Prince William County could tell you that our success can be attributed to the knowledge of Obie Calhoun as a coach. All who attend BDHS can tell you his real value is not limited to the sports field alone. Even as he requires his athletes to give their all, he demands that students give their best in the classroom and community in order to fulfill their own potential.

Through the years his strength of character has stood as an example for students to emulate. He has been teacher, counselor, and friend. For these reasons and many more, we, the class of '66, dedicate this yearbook to the man who has helped prepare us for the game of life, the All-American "Coach" Charles Obie Calhoun.

Administrators Plan

MR. D. C. LINK, PRINCIPAL

Mr. D. C. Link

Through the years Mr. D. C. Link, our principal, has served our school with unwavering vitality. We are proud of him for being both a friend and a leader. No matter if he is leading a spirited cheer for the Tigers or reprimanding a student for sitting on the lobby heater, the students are always first and foremost in Mr. Link's thoughts.

To a man who has done so much for our students and school -- the 1966 FLASH salutes Mr. D. C. Link.

Mr. Link busily at work at his desk.

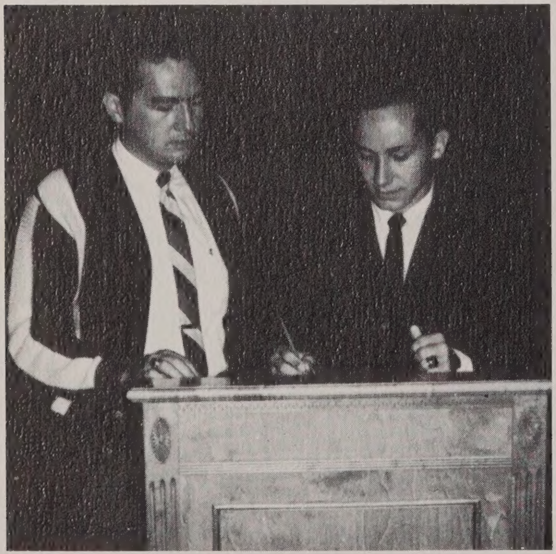
Mr. Gerald Gregory, Sponsor of the SCA, and Darrell Powell, President, discuss procedures for one of the monthly SCA assemblies.



Two major goals of the SCA during the year were raising money to help pay for the new football lights, and the printing of a student telephone directory. The money for the lights was raised by the sales of the directory, and by sponsoring the May Social, the Christmas Social, and the Homecoming Dance.

During the year the SCA reported its activities to the student body on the 1st and 3rd Thursdays of each month. During these informative assemblies, entertainment and speakers were provided by the program chairman.

Representatives are elected to the SCA by each homeroom and each club, so that all organizations and groups are equally represented.

This year, our FTA was represented at the annual convention in Richmond by Gayle Mayhugh, Diane Lee, and Linda Thorpe. They were accompanied by Mr. Gerald Gregory, State FTA Sponsor, and Darrell Powell, State FTA President, who presided over the convention.

The FTA Programs have been enriched this year by noted guest speakers at each meeting. Through the FTA, students learn the experiences and the techniques that may someday lead to teaching.

Below, Mary Byrnes and Pat Thee engage in classroom practice of selling techniques that they may someday employ on the job. DECA Club members, through their classes, learn the latest in sales techniques.

The DECA Club is open to all students taking Distributive Education in our High School. These students attend classes in the mornings and spend afternoons "on the job." The Club helps them with any problems that might arise with the courses they are taking or with their jobs.

DECA is a new club at B. D. H. S. With the help of Mr. Gregory as sponsor, it is rapidly becoming an organization that the school is proud to have.

The forensic club, a relatively new club at B.D.H.S., is making good progress in establishing itself in district competition. Representatives are sent to each workshop in the district. School winners are sent to the district meet, which takes place each spring, to compete with winners from other schools.

The purpose of the club is to help its members speak effectively in public. This is done by having each member read their selection then the other members give their criticism. The selection is read again using this criticism to better the selection.

Robin Cooper and David Hogan scan a selection before reading.

Mr. Snellings, the sponsor, helps Ellen Sonafrank with the details of her selection.

Throughout the 1965-66 school year at Brentsville District High School, The "Buzzer" was headed and handled remarkably well under the capable hands of Editor Doreen Lyles. The school paper, published the last school day of each month, included such school news and happenings as Boys' and Girls' Sports news, the Senior Spotlight, the "Super Snooper," Letters to the editor, Crossword puzzles and cartoon contests, and stories of school happenings in the day to day routine of our school.

The "Flash" staff, through the time consuming efforts of its members, has tried to record the personality of Brentsville District High School and its students during the year 1965-66. Planning lay-outs, meeting deadlines, and writing copy are but a few of the many facets of the jobs of the yearbook staff members. A sense of pride is our reward when we work together and see the book that took a little of each of us to make completed and distributed to o our High School community.

This year was another active, fruitful year for our FFA. In addition to the banquet in April, and an all school assembly program, this group gained recognition through victory in FFA competition. In dairy judging, the Nokesville teams won first place, second and third in state competition in 1965. The second place represented Virginia in the Atlantic Rural Exposition held in Richmond in conjunction with the Virginia state fair. In forestry judging, the Nokesville judging team won first in the Federation and placed third in the Northern Virginia District of the FFA. In individual achievement, Paul Lavoie took first place honors in public speaking in the local FFA federation.

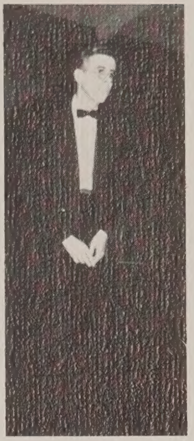
Juniors Present "Our Town"

"Blest Be The Tie That Binds."



"What about that," Professor?"

Under the direction of Miss Blosser, assisted by Patty Hamon, student director, the Class of 1967 presented as their Junior Play, Thornton Wilder's "Our Town." This type of play, not usually attempted by high school groups, was well done and well received by the audience. The special lighting and costumes accented the story of life going ever forward in a small town.

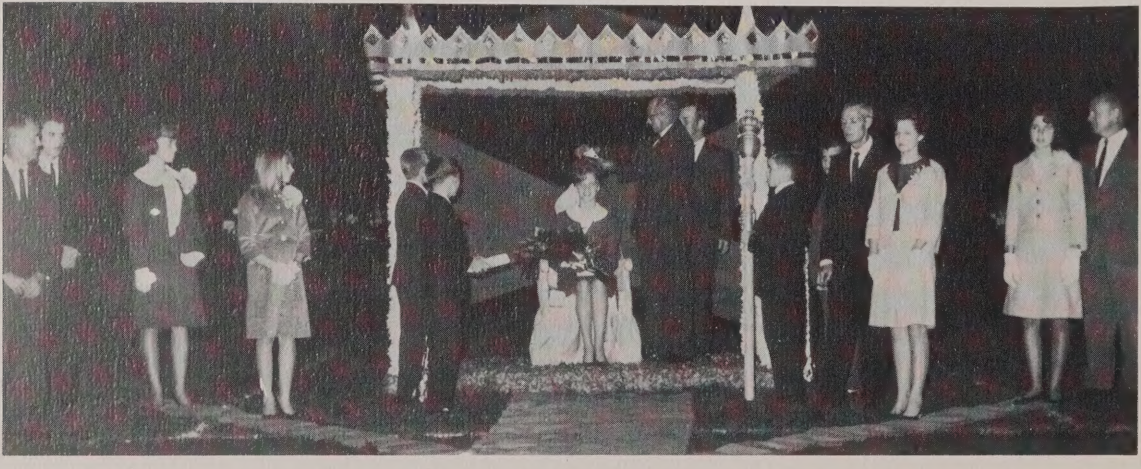
Linda Clemen Reigns

Scotty Albrite and Lois Eschinger enjoy dancing to music provided by "The Rainmakers."

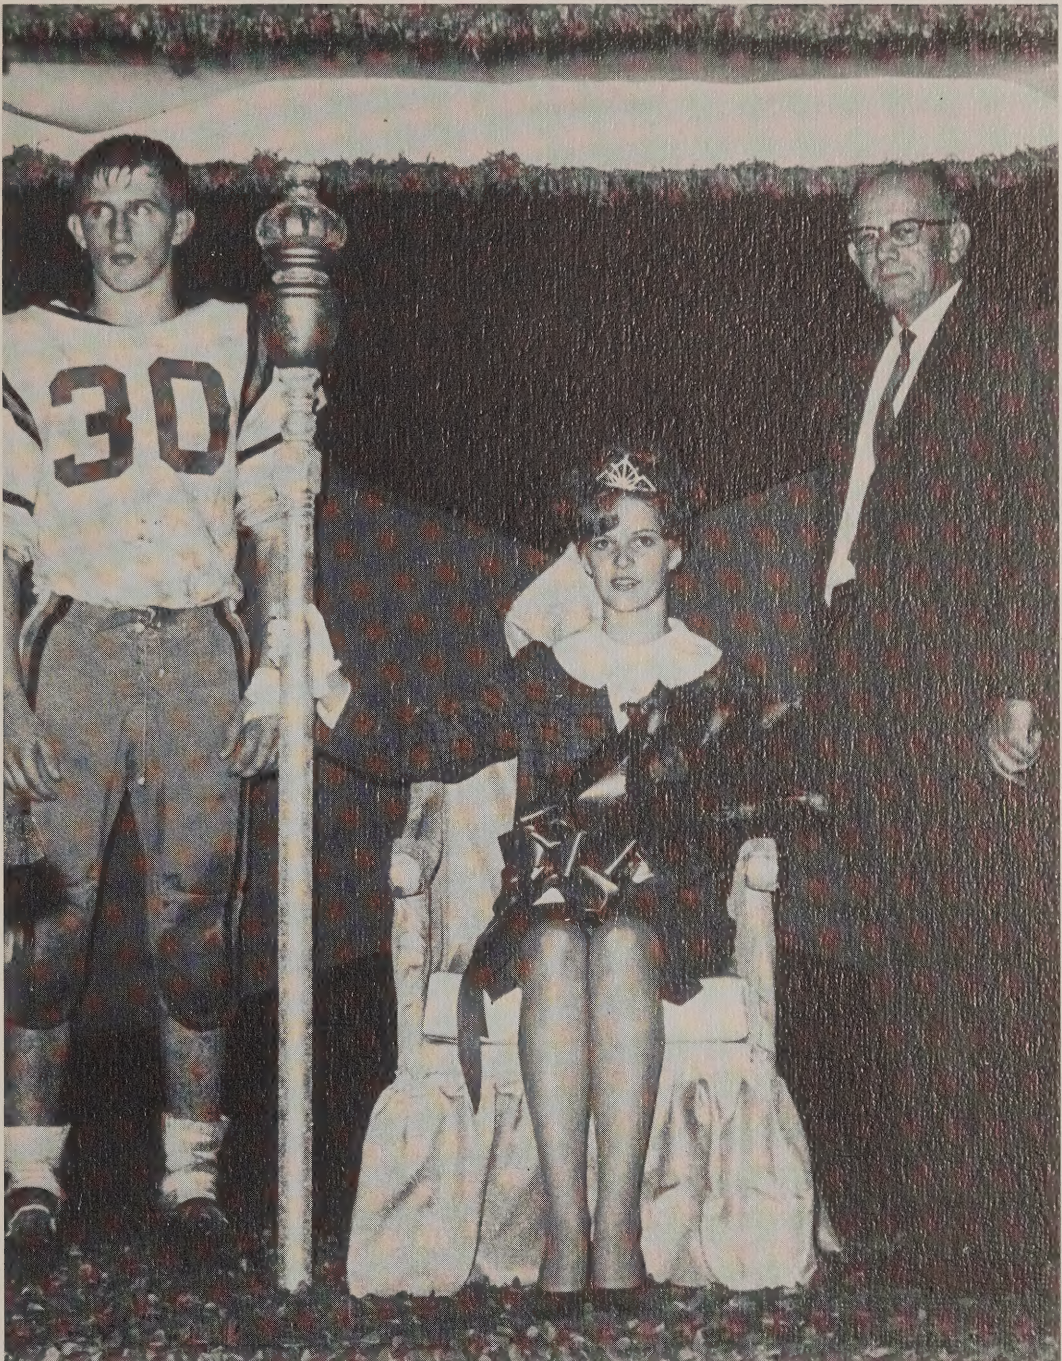
Linda Clemen rides to her throne after circling the football field.

Nokesville's first homecoming was held October 22, after a football game with Stonewall Jackson. There was a big turn-out and everything was a success. The throne, built by members of our school, will be used each year for the homecoming.

Mr. Link crowns Linda as her court looks on with great interest.



as Homecoming Queen



Tommy Hess, football captain, presented Linda with a scepter immediately after she was crowned queen at half-time. Pictured at right is Mr. Link, principal of Brentsville District High School, who previously crowned our first Homecoming Queen.

The Social to the Season

Above: The court gathers to congratulate King Robert and Queen Marilyn.

Right: The Grand March is the highlight of the entire evening.

Left: The Alumni always love to come back to their Alma Mater for the Christmas Dance.

Christmas Adds Sparkle Holiday

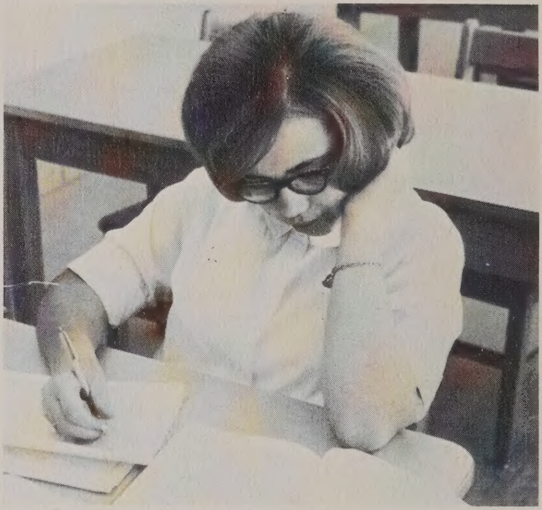
Left: Mr. Link proudly crowns Robert Hawkins -- King, and Marilyn Heddings -- Queen of the Christmas Social.

Vocational, Health, Programs Make Citizens —

Above: Tom Dawson, Larry Schaeffer, and Richard Earhart learn new skills with machinery in shop class. Mr. Kline and Mr. Douglas instruct the Future Farmers in the shop, in the classroom, and in the field.



Susan Paynes loses herself in thought with a difficult problem in bookkeeping.

Above: Miss Cowan's Home Economics Class puts their learning to use by preparing a table setting. In addition to proper table arrangement, the Home Economics students are also instructed in cooking, sewing, and other practical aspects of modern homemaking.

James Utterback keeps a steady eye on his typing book as he strives to meet the goals of Typing I. Miss Blosser, our typing teacher, helps the students to learn and understand the many uses of the typewriter and how to care for it.

Below: The eight students involved in office practice are pictured. Through actual practice in the offices of the school, they learn the skills needed for office operation.

and Safety Tomorrow's Today!

Under the watchful eye of Mr. Bob Gregory, the students in the newly formed Distributive Education Class concentrate on their study of methods of distribution.

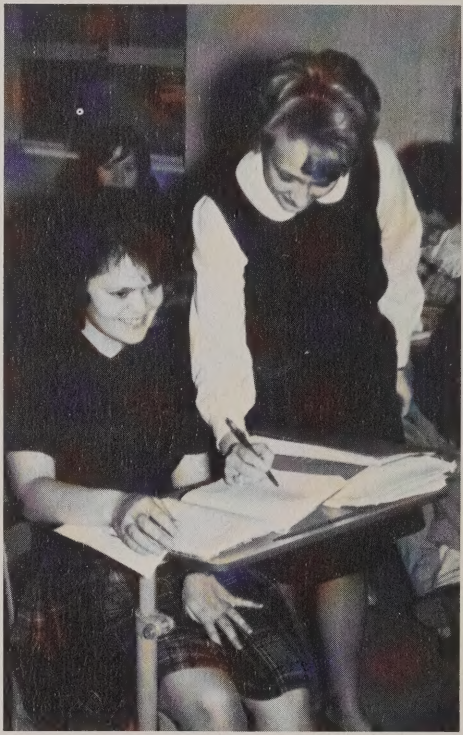
In addition to teaching the girls' physical education and health classes, Mrs. Moore has time to give personal aid and advice to her students. Above: Mrs. Moore and Mary Pennington discuss problems in good health and physical well-being.

Showing excellent physical control, one of Coach Calhoun's Physical Education Classes constructs a human pyramid. Mr. Calhoun also instructs the students in Health Education during classroom periods.

With the growing need for safety programs for teen-aged drivers, Brentsville District High School is fortunate in having our first full-time driver training instructor, Mr. Lambert. Through patience, skill, and helpfulness, he helps make our students capable, responsible, and alert drivers. Here, Jackie Osborne is shown receiving some pointers on automobile operation.

Liberal Arts Classes

The Art Classes, under the direction of Miss Dudley, put the finishing touches on the "Tiger" hoop used in one of our football games. In these classes, students are exposed to drawing and painting instruction, weaving, and many other mediums of artistic expression.



Miss Fields gives consideration and instruction to Joyce Long on some of the finer points of English composition.

Joyce Long and Jackie Stewart are shown hard at work in preparation for music instruction.

This year, for the first time in the school's history, BDHS participated in District gridiron action. Our new field and lights enabled us to host 5 home games. Even though our team tasted defeat throughout the 1965 campaign, there were many highlights to remember.

PICTURED BELOW is one of the bright moments of the season. Tom Hess breaks loose for the first Tiger touchdown on the new field. AT LEFT, by way of a smashing gang tackle, an opponent feels the fighting spirit of the home team. ABOVE, we see a Tiger back being brought down after a long gain across mid-field.

During our first year of full-fledged competition, our football team has shown much promise and potential to meet the stiff schedule of next year. We can look forward to a lot of action in the seasons to come.

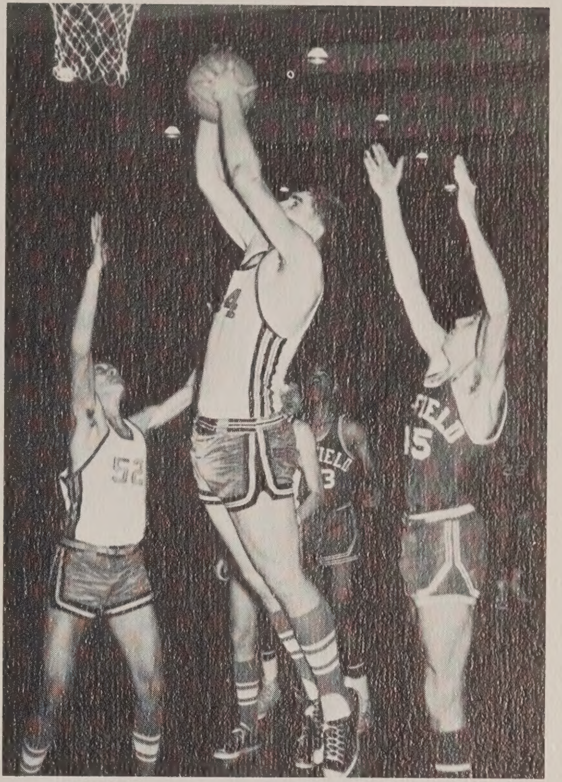
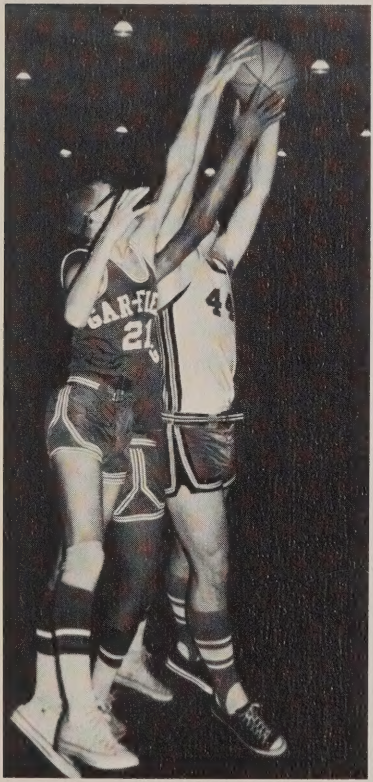
Provides Action and Excitement

Even though the varsity basketball squad suffered their share of losses during the 1965-66 season, compiling a 5-13 record for regular season play, very few games were lost by more than a few points. In spite of the losing season, the regular season ended on a successful note with the defeat of County rival, Osbourn High School by a score of 73-62 in the last game of the season.

The Nokesville offense was led by big Mike Simms, who averaged 24 points per game in regular season play. Mike also broke the school and district scoring records this year by scoring 46 points against Stonewall Jackson High School. Simms, a Junior, is expected to be one of the mainstays of next year's edition of the "Tiger" cage team.



Mike Simms clears the board for a clean rebound against Gar-Field High School.



All Hands Up -- Everyone is intent on getting the ball as it comes off the board in the Gar-Field game. Nokesville won the game 65-48.

Denny Yankey and Ricky Wright scrap for possession of the ball with two unidentified Gar-Field players.

Nokesville should prove to be strong this year in baseball. Nine lettermen are returning this year with the complete infield back in action. Pitching will be our major factor. Shepherd and Spencer will be tossing them over and Stewart will be getting the relief calls. All in all our hitting will be strong, led by the power hitting of Simms. The outfield will be built around Hess who has good speed. The Tigers will probably have one of their best records this season.
